Confidential/Deliberative

Lee and John,

I would like a call with the team on this email right away to discuss this. And given the length of the document and the fact that apparently it was developed with extramural dollars, I would like to discuss the resources associated with this and how it impacted other Administrator-level priorities that have not been completed, such as the 404(c) rulemaking.

Thanks.

Regards,

Dave

Draft Deliberative

Lee and Owen,

Thanks again for your time on the call today to discuss the CWA Section 404 Handbook and Early Engagement MOA. The drafts of both documents are attached for your review. We will discuss the MOA with Stacey and let you know if any additional engagement between you and Corps/Army is needed.

Let me know if you have any questions or concerns.

Thanks,

bf
